

reuse plan may be a part of, or a supplement to, the redevelopment plan otherwise authorized under a base closure law for a military installation.

"(2) The reuse plan shall include provisions for use to assist the homeless, shall enumerate homeless providers and public agencies consulted regarding the plan, and shall include a commitment to enter into legally binding agreements to make available a reasonable amount of property or assistance to the homeless in the community. Such property may consist of buildings and property located at the military installation to be closed or realigned or off of the installation.

"(e) REVIEW OF REUSE PLAN BY SECRETARY OF HOUSING AND URBAN DEVELOPMENT.—(1) The Secretary of Defense shall consider a reuse plan submitted under subsection (d) for purposes of disposal of property at the military installation for which the reuse plan is developed unless the Secretary of Housing and Urban Development, within 60 days of receipt of the reuse plan, determines under paragraph (2) that the reuse plan does not make available a reasonable amount of property or assistance to the homeless in the community involved.

"(2) The Secretary of Housing and Urban Development shall determine that a reuse plan makes available a reasonable amount of property and assistance to the homeless within the community involved if—

"(A) the reuse plan includes a commitment to enter into legally binding agreements to provide assistance to the homeless within the community;

"(B) the reuse plan balances the need for providing property and assistance to the homeless with the overall reuse plan for the military installation;

"(C) the reuse plan was developed in consultation with local representatives of the homeless, including representatives of the applicable homeless assistance planning board established under section 411(b) and representatives of local nongovernmental homeless providers;

"(D) the reuse plan is consistent with the comprehensive housing affordability strategy under section 105 of the Cranston-Gonzalez National Affordable Housing Act; and

"(E) the reuse plan specifies the manner in which property or assistance will be made available for homeless assistance.

"(3) In making a determination under paragraph (2) with respect to a reuse plan, the Secretary of Housing and Urban Development shall—

"(A) consider the population of homeless in the community involved, the extent of current services to assist the homeless within the community, the extent of the commitment of resources by local governments in the community to assist the homeless within the community, the need for additional services to assist the homeless within the community, and the suitability of the property for serving the needs of the homeless; and

"(B) solicit and consider comments on the reuse plans from homeless persons or their representatives in the community.

"(f) EFFECT OF FAILURE TO MEET THE NEEDS OF THE HOMELESS.—If the Secretary of Housing and Urban Development determines under subsection (e) that a reuse plan does not make available a reasonable amount of property or assistance to the homeless in the community involved, the Secretary shall submit to the redevelopment authority submitting the reuse plan and to the Secretary of Defense a report containing the reasons for the determination. The Secretary of Housing and Urban Development shall submit the report within 30 days of making the determination.

"(2) A redevelopment authority shall have an additional 6 months from the date of receipt of a report under paragraph (1) to re-

submit to the Secretary of Housing and Urban Development and the Secretary of Defense a final reuse plan which will reasonably address the needs of the homeless, as identified by the Secretary of Housing and Urban Development under paragraph (1).

"(3) If the Secretary of Housing and Urban Development determines that a final reuse plan submitted under paragraph (2) fails to reasonably address the needs of the homeless, the Secretary shall, within 30 days of making such determination, identify those buildings and other property covered by the reuse plan that are suitable and available for use to assist the homeless. The Secretary shall make such identification according to section 501(a). Buildings and property identified as suitable and available for use to assist the homeless under this paragraph shall be made available for such purposes under section 501.

"(g) EFFECT OF ABSENCE OF REDEVELOPMENT AUTHORITY OR EXCLUSION FROM REUSE PLAN.—In the case of buildings or property to be disposed under a base closure law, but for which no reuse authority is identified by the Secretary of Defense or which are not included in a final reuse plan submitted by a reuse authority, the Secretary of Housing and Urban Development shall determine the suitability of such buildings or property for use to assist the homeless according to section 501(a). Buildings and property identified as suitable and available for use to assist the homeless under this paragraph shall be made available for such purposes under section 501.

"(h) APPLICATION OF SECTION.—(1) Except as provided in paragraph (2), this section shall apply only with respect to property, at a military installation to be closed or realigned under a base closure law, that has not been included, as of July 1, 1994, in a list published by the Secretary of Housing and Urban Development under section 501(c)(1)(A).

"(2) In the case of the military installations specified in paragraph (3), this section shall apply with respect to the disposal of all property at the installations regardless of the date on which property at such installations was included in a list published by the Secretary of Housing and Urban Development under section 501(c)(1)(A).

"(3) The military installations referred to in paragraph (2) are as follows:

"(A) Cameron Station Military Garrison, Alexandria, Virginia.

"(B) Manhattan Beach, New York, New York.
